

SMS Notification Monthly Fee Billing

Terms

- SMS Notification's monthly fee debiting process will start from the 23rd to the 10th of each month.
- The SMS Notification monthly fee of IDR 12.000/month to be debited from the account registered with the SMS Notification service.
- PermataBank can process the SMS Notification monthly fee debit if the customer's balance is below the minimum balance required in the account, as per the provisions of each savings or current account product.
- PermataBank can process your monthly SMS Notification fee debit even if your balance during the debit period is less than the SMS Notification fee. However, this will not result in a negative balance.

For example: If the customer's available balance is IDR 5,000, this remaining balance will be deducted to cover the monthly SMS Notification fee payment. If the Customer's Balance is IDR 0, - then SMS Notification Fee debit cannot be processed.
